Well, the trust was broke
'Cause the words were wrong
And faith is weak
But the wind is strong

Feather falls
And the horses whine
When the cold wind blows
In the summertime

In the summertime
In the summertime

Well, I don't know much
And I don't lie
When the cold wind blows
In the summertime

In the summertime
In the summertime

Well, I won't look back
'Cause we made it here
To find that truth
Was founded on lies

Summertime
In the summertime
In summertime
In the summertime

Summertime
In the summertime
In summertime
In the summertime

In the summertime
In the summertime
In the summertime
In the summertime
