[Dialogue Written by Quentin Tarantino]

VINCENT

Want some bacon?

JULES

Naw, man, I don't eat pork.

VINCENT

Are you Jewish?

JULES

I ain't Jewish, I just don't dig on swine, that's all.

VINCENT

Why not?

JULES

Pigs are filthy animals. I don't eat filthy animals.

VINCENT

Yeah, but bacon tastes good. Pork chops taste good.

JULES

Hey, a sewer rat may taste like pumpkin pie. But I'll never know 'cause I wouldn't eat the filthy motherfuckers. Pigs sleep and root in shit. That's a filthy animal. I ain't need nothin' that ain't got sense enough to disregard its own feces.

VINCENT

How about a dog? Dog eats its own feces.

JULES

I don't eat dog either.

VINCENT

Yeah, but do you consider a dog to be a filthy animal?

JULES

I wouldn't go so far as to call a dog filthy, but they're definitely dirty.

But a dog's got personality. Personality goes a long way.

VINCENT

So by that rationale, if a pig had a better personality, he would cease to be a filthy animal? Is that true?

JULES

Well, we'd have to be talkin' 'bout one charmin' motherfuckin' pig. I mean he'd have to be ten times more charming than that [...] you know what I'm sayin'?
