I never understood  
I thought we had it good  
I never realized  
Baby what a big surprise

It was just too quick for me  
Didn't leave me time to breathe

It's a drag  
To have a broken heart  
If I can't hang around with you  
Then that's the hardest part  
And I really have say  
That I hate to feel this way  
It's a drag  
To have a broken heart

Everybody knows  
How the story goes  
You were letting go  
Why was I the last to know

And it hit me suddenly  
As I watched you leave

It's a drag  
To have a broken heart  
If I can't hang around with you  
Then that's the hardest part  
And I really have say  
That I hate to feel this way  
It's a drag  
To have a broken heart

It's just hard letting go  
Don't say I told you so  
Maybe somewhere down the road  
Down the road
