Woke up from a dream last night
I was dancing in the shadows
Blinded by the moonlight shining in my eyes
I don't ever wanna leave
I wanna stay until forever
I just can't believe

Chorus

It's a state of mind I'm a step behind but
I'm catching up to you
It's a state of love that I'm thinking of but
I'm catching up to you
It's a state of mind I'm a step behind but
I'm catching up to you
And it makes me feel so high
I'll just spread my wings and fly

California afternoon
Staring at the ocean
Reflections of sunlight through your blond hair
I don't ever wanna be
Anywhere but right here
Baby, I just feel so free

Chorus

Fly so high
I never wanna come back down, oh no
Let's just fly

I woke up from a dream last night
I was dancing in the shadows
Blinded by the moonlight
Shining in my eyes
Well I don't ever wanna leave
I wanna stay until forever
Oh baby, won't you stay with me
Oh yeah

Chorus

It's a state of mind I'm a step behind but
I'm catching up to you
It's a state of love that I'm thinking of but
I'm catching up to you
It's a state of mind I'm a step behind but
I'm catching up to you
And it makes me feel so high
Yeah it makes me feel so high
But it makes me feel so high
I'll just spread my wings and fly
