"Cry"

You don't know how to ease my pain
You don't know how to ease my pain
Don't you hear any voices crying
Thats the sound of my love dying
Or is it the rain
You don't know how to play the game
And you cheat and you lie
You make me want to cry
You make me want to cry
You don't know what the sound is darling
Thats the sound of my tears falling
Or is it the rain
You don't know how to play this game
And you cheat and you lie
You make me want to cry
You make me want to cry
You don't even know how to say goodbye
Ohh yeah
You don't even know how to say goodbye
You don't even know how to say goodbye
You don't know how to ease my pain
Girl you cheat girl you lie
You make me wanna you make me wanna cry
You don't even know how to say goodbye
You don't even know how to say goodbye
You make me wanna
You make me wanna
You make me wanna cry
