Wayne Watson
Real love--True love to last for a lifetime
I fell head over heels for her
Tell me--Do ya think we could grow old together
Broken--She said that she loved another
Heartache--Feeling despised and rejected
Jesus--I heard you felt it, too
Perfect--She said her first love was higher
Jesus--Her perfect love--Is it You
Chorus
Oh if Jesus takes over the heart of your love
When it comes to the needs of a man
If she's given her first love away
She can love you like nobody can
Like nobody can
Morning--First risen
Night--Last one sleeping
Treasured--Higher than finest gold
Serving--As unto God's higher calling
Beauty--Reachin' deep to the heart and the soul
Chorus
