Wayne Watson

Would I know You now if You walked into the room  
If you stilled the crowd--If You light dispelled the gloom  
And if I saw Your wounds--Touched Your thorn pierced  
brow

I wonder if I'd know You now

Would I know You now if You walked into this place  
Would I cause You shame--Would my games be Your  
disgrace

Or would I worship You--Fall down upon my face

I wonder if I'd know You now

Or have the images I've painted

So distorted who You are

That even if the world was looking

They could not see You--The real You

Have I changed the true reflection

To fulfill my own design

Making You what I want

Not showing You forth divine

Would I miss You now if You left and closed the door

Would my flesh cry out "I don't need You anymore"

Or would I follow You--Seek to be restored

I wonder--I wonder

Will I ever learn

I wonder--Would I ever know You now
