Time can't take away this pain,  
I feel it everyday,  
There was a time when all was alright in life,  
but some one took it one night,  
Anger is all I know,  
how unfair it seems,  
the breath as you sleep forever more,  
We'll never hear your voice, see your face, dream  
dreams for thye future,  
I told you everything,  
How come they see light and you have eternal night,  
WHERE is the justice,  
when the pain end,  
when I see you again?  
When will I see you again...  
And forever my tears will fall,  
No one can change this nightmare our life became  
the night you where taken away,  
Never will I look at people the same,  
Forever my heart will break,  
Because this pain is more then I can take,

I know there is more I have to do,

For you I live for you I move on so

I can let you live through me

Forever Your a part of me...

A part of ME
