does anybody know
where all the people go, oh no
does anybody care if i found what i will wear
and if i ever
maybe never
lose what i have found
i'm so clever

[CHORUS]

cuz there coming after you
there coming after you
could we ever say what we wanna say
coz there soming after me
there coming after me
could we ever be what we wanna be

[verse2]

did anybody see
the way she looked at me oh no
i saw her standing there
does anybody care
oh no
and if i ever maybe never

lose what i have found
i'm so clever

[CHORUS]

can anybody hear me
does anybody care
does anybody know
where all the people go
oh no
o saw her standing there
does anybody care oh no
and if i ever maybe never lose what i have found
i'm so clever

cuz there coming after you
coming after you
coming after you

coming after me
coming after me
coming after you
coming after you
coming after me
coming after

[CHORUS]
