Sunshine strawberry wine
A little taste of leather and lace
Color blind it's all in my mind
Temporary insanity
When everything is wrong

It's a perfect day for feeling this way
It's a hell of a time for speaking your mind
When nothing is as it seems
Daydream

Candy sweet as can be
I'm so tall I'll crush 'em all
Higher flying away
With good-bye to yesterday
When everything is wrong

It's a perfect day for feeling this way
It's a hell of a time for speaking your mind
When nothing is as it seems
Daydream

So long, I've been tired of the things I do
So long, all this weight upon my shoulders
So long, I've been tired of the things I do
So long, so long

Sunshine strawberry wine
A little taste of leather and lace
Color blind it's all in my mind
Temporary insanity
When everything is wrong

It's a perfect day for feeling this way
It's a hell of a time for speaking your mind
When nothing is as it seems
Daydream

It's a perfect day for feeling this way
It's a hell of a time for speaking your mind
When nothing is as it seems
Daydream

Daydream, Daydream, Daydream
Daydream, Daydream, Daydream
