Sunshine, strawberry wine  
a little taste of leather and lace  
colour blind its all in my mind  
temporary insanity  
when everything is wrong

*[CHORUS]*

It's a perfect day for feelin' this way  
it's a hell of a time  
for speaking your mind  
when nothing is as it seems  
daydream

*[verse 2]*

candy, sweet as can be  
im so tall ill crush em all  
higher, flying away  
wave goodbye to yesterday  
when everything is wrond

*[CHORUS]*

for so long  
i've been tired of the things i do

for so long  
all this weight up on my shoulders  
for so long  
ive been tired of the things i do  
for so long, so long

Sunshine, strawberry wine  
a little taste of leather and lace  
colour blind  
it's all in my mind  
temporary insanity  
it's a perfect day for feeling this way  
it's a hell of a time  
for speaking your mind  
when nothing is at it seems

it's a perfect day for feeling this way

its a hell of a time  
for speaking your mind  
when nothing is as it seems  
daydream
