When i am with you, i spin around
You turn my world, right upside down (tell me how)
The things you say, the things you do
I just can't get enough of you (won't you know)
so come play i am in the mood
for you....ououououououououououou
my heart is aching....ouououououououou
don't keep me waiting

Chorus:

Teleia, teleia, teleia
my heart is beating
teleia teleia teleia
i love this feeling
teleia teleia teleia
and you are the reason
teleia teleia teleia
i cant believe me i am
teleia teleia
and you are the reason
teleia teleia teleia
just keep on singing
ouououououououououououou
