How deep is your ocean?  
How high is your sky?  
I'd love to put our love into motion  
But I'd have to ask myself why

Well, I can't tell ya how to live your life  
But I know how to live mine  
I take home pretty things that I like  
And baby, you are so fine  
Yeah, I could give you everything you need  
With just one touch of my hand  
But I swore I would never fall in love  
With a boy in a rock & roll band

Why do I adore you?  
We've only just met!  
I feel I would do anything for you  
But baby, sometimes I forget

That I can't tell ya how to live your life  
But I know how to live mine  
I take home pretty things that I like  
And baby, you are so fine  
Yeah, I could give you everything you need  
With just one touch of my hand  
But I swore I would never fall in love  
With a boy in a rock & roll band

Well, I forget I'm a lady  
I've had too much wine  
I'd love it if you would call me your baby  
Cause baby, you are so fine

That I can't tell ya how to live your life  
But I know how to live mine  
I take home pretty things that I like  
And baby, you are so fine  
Yeah, I could give you everything you need  
With just one touch of my hand  
But I swore I would never fall in love  
With a boy in a rock & roll band

(How deep is your ocean?  
How high is your sky?  
I'd love to put our love into motion  
But I'd have to ask myself why)
