Lala lala love
Lala lala love
Lala lala love
Lala lala love

Love it isn't easy babe
But I don't want to play
You are knocking at my door
But I cannot come out today
Let me pull down the sheets
Now the room is blue
I don't want nobody else
If I can't be with you

Close my eyes
Leave me in quiet
You said I was hiding
And I will not deny it

Lala lala love

Your eyes look heavy babe
So why won't you just sleep
You said I should let it go
But this one I will keep

Close my eyes
Leave me in quiet
You said I was hiding
And I will not deny it

Lala lala love
Lala lala love
Lala lala love

Close my eyes
Leave me in quiet
You said I was hiding
And I will not deny it
Lala lala love
Lala lala love

Lala lala love ...
