What will you do now
Everyone has gone home
Leaving in quiet
And leaving us to be alone
I waited too long to say
I tried to pretend
I only want you to stay

If just for tonight
Don't let me go
I won't mind it
Maybe it's right
We will never know
I don't mind it.

The day is through now
Doesn't feel right..
I can't stand the quiet
So I lay awake
All through the night
We'll journey on
And just let it play
Don't ever let it end
I only want you to stay

If just for tonight
Don't let me go
I won't mind it
Maybe it's right
We will never know
I don't mind it.

Wait for a moment
But there's nothing that
I can say to you
So go if you wanna
There's nothing left
For me to do

If just for tonight
Don't let me go

I won't mind it
Maybe it's right
We will never know
I don't mind it.

If just for tonight
Don't let me go
I won't mind it
Maybe it's right
We will never know
I don't mind it.
I don't mind it. (x3)
