He treats me fine  
But I could be better  
You'll bring the wine  
And I'll read your letter  
I on my own  
Feel like a liar  
I'm almost home  
But I'm getting tired

Never could look back  
Never would look back  
Because  
I don't need you  
And you don't need me  
I don't need you  
You don't need me  
Yeah.

I said goodbye  
But I just regret it  
Let's make things right  
But you'll never let it

Never could look back  
Never would look back  
I don't need you  
And you don't need me  
I don't need you  
You don't need me  
Yeah.

..  
(I don't need you)  
Don't.  
(You don't need me)  
Need..  
(I don't need you)  
You.  
(You don't need me)

I don't need you

You don't need me
