So I've come to this final
Conclusion.
I will not wait around
For you to break my heart again
Now I understand
What a fool I've been
I will forgive you.. but..
You know I can't forget
Because..

I'll be dreaming of
The nights when I would lie awake
And stare into
The light behind your eyes
I have run into
The trap you set before me, blind
And now my love
Cannot seem to hide

And now I sit and talk
Through all, the confusion
I cannot now remember
Who the hell I am
You're not the only one
Who created an illusion
I knew I'd find
My place, in time

I'll be dreaming of
The nights when I would lie awake
And stare into
The light behind your eyes
I have run into
The trap you set before me, blind
And now my love
Cannot seem to hide

I'll be dreaming of
The nights when I would lie awake
And stare into
The light behind your eyes

I have run into
The trap you set before me, blind
And now my love
Cannot seem to hide

Ohhhâ€¦.. oohhâ€¦.
