"Lights On"

Some people say that I want you
For your money but I really
Want you for your body. Yes. No. Yes.
Pleased to meet you baby,
I want to be your honey
So let's go tell your daddy & mommy.
Yes. No. Yes.

This won't get any easier now
That your heart is beating in my hand.
And I've tried not to destroy you, baby,
Even though we both know I can.
Ohh, you know I can.

Make love with the lights on, baby,
Tell me what you see.
Clear the bed to lie on, darling.
Make a mess of me.
Here's my dress to try on, baby.
Let me be your man.
I will call you pretty darling.
Tell me what I am.

Ca-Ca-Ca Can I have your number?
Can I have your, baby?
Can we run away together?
Yes. No. Yes.
I would walk on water.
I would walk on fire.
I would sell my soul to the devil.

And this won't get any easier now
That your heart is beating in my hand.
And I've tried not to destroy you, baby,
Even though we both know I can.
Ohh, you know I can.

Make love with the lights on, baby.
Tell me what you see.
Clear the bed to lie on, darling.
Make a mess of me.

Here's my dress to try on, baby.
Let me be your man.
I will call you pretty, darling.
Tell me what I am.
