

Pierces, The "Ruin"

This is the end of us.
You'll never hear my voice again.
You are ridiculous with your imaginary friends.

All that I want is for you to come to ruin.
All that I want is for you to come to ruin.
All that I want
Is for you to come crawling back.

This is the end of us.
And everything you said we'd be.
And all the love I bring
I will be taking home with me.

I do not want for you to be happy.
I do not want for you to be happy.
All that I want is for you to come crawling back.

I want you to come to me.
I want you to come to me.
I want you to come to me.
I want you to, I want you to...

This is the first day
Of many years of sorrow.
You won't forget my name
But I'll forget your face tomorrow.

All that I want is for you to come to ruin.
All that I want is for you to come to ruin.
All that I want
Is for you to come crawling back to me..
Is for you to come crawling back to me..
Is for you to come crawling back..
Is for you to come crawling back to me.
