And it was the final straw,
Though I never knew just what he saw.
Never underestimate the power of a€¦
Never underestimate the power of a€¦

He could bring me to my knees,
Though I never saw just what he sees.
I was calling out for him - he never turned.
I was calling out for him - I never learned.

Never. Ever.
Never underestimate the power of a€¦
Never. Ever.
Never underestimate the power of a€¦

Saw you walking down the street,
Those Velcro sneakers on your feet.
You were walking faster than I could run.
I was walking in the shade and you - the sun.

Now we can watch it fall
'Cause they built it up to tall.
Now I'm sinking lower than all my tears.
Sinking lower than all your fears.

Never. Ever.
Never underestimate the power of a€¦
Never. Ever.
Never underestimate the power of a€¦

Boy, you've got a lot to learn.
Wait until it is my turn.
And you stand ever.

Never. Ever.
Never underestimate the power of a€¦
Never. Ever.
Never underestimate the power of a€¦
Never underestimate the power of a€¦
Never underestimate the power of a€¦
