Run and Tell A friend  
They're taller than you or me or them  
They're sadder and they can all pretend  
It's not comin when we all know the end yea its comin  
then

Its just another movie set  
Dontcha know that we can fight back yea  
Dontcha know that we dont know our way around

We're the ones that you befriend  
the ones that break when they bend  
the ones that just cant see a thing  
every minute is a movie man  
doesn't, doesn't have to end  
to the ones who think they'll break or they bend  
every minutes not a movie man!

It's just another movie set now ya man!  
Dontcha know that we can fight back ya man  
Dontcha know that we don't know our way around

Kay, when they sit up straight  
They're back so fast they didn't break  
Never had to make Fire and the wheel  
They can say, maybe they dont feel  
It makes 'em stronger than

Its just another movie set  
Dontcha know that we can fight back yea  
Dontcha know that we don't know our way around

We're the ones that you befriend  
the ones that break when they bend  
the ones that just cant see a thing  
every minute is a movie man  
doesn't, doesn't have to end  
to the ones who think they'll break or they bend  
every minutes not a movie man!

Every Minute is A movie (the ones that you befriend)

doesnt, doesnt have to end (the ones that break when  
they bend)  
to the ones who think they'll break or they bend  
the ones that just cant see a thing
