UH, uh, one shot to your dome pow!

Yeah, can ya stand it?

This for your boy Snoop Doggy Doggy Doggy

Doggâ€¦Doggy Dogg

Can ya stand it?

Yeahâ€¦

It's that crip nigga, quick hit em with my dick

Spit with a big shit, kick a nigga

Get wit a nigga quick shit

Bitch, now can you picture me jokin?

I bang 47th street, bitch I keep it loccin

And all around the world, I leave my enemies broken

Like toot, toot, toot, you hear their families hopin

With toooot, death is all I got to give

I said my name is One Shot Kill not One Shot Live

And all ya muthafuckas got to go

?? haven't got the chance to flow

Hit a muthafucka with a gangsta flow

?? prank to though

Have you ever shot a nigga befo'? No!

Have you ever killed a nigga befo'? No!

And I'ma take yo lil ass to the movies to ?? Part 4

I flip four cases of noodles on moral

And nobody had to give me shit when I was in Paso

G might kick a nigga in, even though he was from the

Brimms

Now I'm rolling with triple gold rims, eatin shit and

Eminems/M&Ms;

[Hook](2x)

You's a muthafuckin character I buried ya

Knew you was scared, nigga scary us

They got my area

Fashion gangbangas with the part but can't play the

role

When it's all said and done I'ma be left with these

streets in my soul

[Jayo Felony]

Which one of ya'll tricks wanna test this?

Young, dumb and I'm restless

You hide from me when you throw parties and never
make ya guest list

You's a character you fake gangbangin clown

And the homies and cuz's would tear this muthafucka
down, RIGHT NOW!

Now, my khakis always fit me

Don't want no funk, you scared to squabble with me

I'm the hardest on dry land and even you see that

Catch him with 11 thou on the +Baby Boy+ movie set

I approached like "We need to holla" and he tucked his
tail

Cus this bitch lanky nigga knew he can't fuck with Fel

Ya see even you know what type a nigga you was facin

Tryin to leave and hurry up and get to the next location

Tryin to jump me but I knew to grab his cold ass nigga

A 40s cuz? I'ma about to meatball that nigga

Beg me to sign to ya label, nigga but keep tryin though

Had his perm fucked leanin to the side like Lionel

[Hook](2x)
