You were alone baby  
You never wanted to be free  
I helped you turn the pages  
At least I started to believe  
I gave you my heart on blank paper  
You never had to read between the lines  
Never returned the favor  
Never let me read your mind /  
[Chorus]  
Oh, thought you played me for the fool but you're  
wrong, it's been a long time coming and we don't know  
where we're going, could you give a little bit of love to  
me? Can we have another day?  
You told me you loved me  
But then you lied and turned your back to me

You told me you know me baby  
But girl you don't have a clue  
You don't even love him  
You know I can see it deep in your eyes  
So many questions are  
Running through your mind  
[Chorus]  
Looking over your shoulder  
You know that it's not right, no no no no no  
The world you live gets colder  
Than the lies that you hide  
When I'm not there  
[Chorus]  
Give a little bit of love to me sugar  
Give a little bit of love to me
