I stumble home in the dark  
This waste has taken it's tole on me  
Another cut on my face that I can't explain  
Oh well what the hell  
Only thing that I been told  
Don't wanna leave you cold  
So what you gunna do when you fall

I don't wanna be left here I don't wanna lose my mind  
Oh yeah every time I close my eyes  
I don't wanna live in fear waitnig for the sun to rise  
Oh well you can see me for the night  
Oh yeah but what about the rest of my life  
What about it what about it

I call her on the way down  
She tells me nothing I say makes sence  
She's all tied up with a friend  
And she can't come round  
Oh no gotA GO  
So what you gunna do when you fall

I don't wanna be left here I don't wanna lose my mind  
Oh yeah every time I close my eyes  
I don't wanna live in fear waitnig for the sun to rise  
Oh well you can see me for the night  
Oh yeah but what about the rest of my life  
What about it what about it

How many times can you hit the wall  
Will I get up or will I end it all

Another day and I'm dead  
Another lie to forget  
Another scream in my head

I don't wanna be left here I don't wanna lose my mind  
Oh yeah every time I close my eyes  
I don't wanna live in fear waitnig for the sun to rise  
Oh well you can see me for the night  
Oh yeah but what about the rest of my life  
What about it what about it
