This situation, if it gets any deeper could be critical
I'm not your love monkey so be taking back all the lies
you sold
What did you want me to be?
It's just too much now so tell me so tell me so tell me
one two three four

[Chorus]

So what's your evil attitude when you got me spending
my time pleasing you?
Why must you keep me underground?
Tell me tell me, why you wanna bring me down?
Is it too much to give a damn when I'm giving you one
hundred and ten?
Don't blink cause I won't be around, tell me tell me, why
you wanna bring me down?

Now your transmission is on the negative, you're on a
losing streak
This information is getting ordinary and you're losing
me
What's with your hostility when the lie's on me?
Well you're down to the last chance so tell me so tell
me uno dos tres cuatro

[Chorus]

I don't think you ever gave damn
In fact I know it
I can't take it no more
Was it all just a waste of time?
I don't wanna spend my whole life thinking bout it
Baby this is where I draw the line, I think I'm done

[Chorus]
