I can't live with my mistakes
Get out of bed or face this day
But I need to
Needle in my eye
I just need you to go sit down
'caue i told you
I'd bury it deep in the ground
A joke a stroke of genius
Probably somewhere in between
No joke the broken records laughing
while she gasps and screams
A lull from up above my neck
But still below my spleen
I am what I am who am I
I don't know what that means
but I wanna meet Dave Grohl
I wanna meet Dave Grohl
I wanna meet Dave Grohl
I wanna meet Dave Grohl
I'm not a kid?
That's my mistake
Get out of bed?
Nah fuck this day
But i need to
Needle in my eye
I just need you
To be around
But I told you
I'd bury it deep in the ground
A joke a stroke of genius
Probably somewhere in between
No joke the broken records laughing
while she gags and screams
A lull from up above my neck
But still below my spleen
I am what I am who am I
I don't know what that means
But I wanna meet Dave Grohl
I wanna be Dave Grohl
I wanna be Dave Grohl
Never gonna stop me
Never gonna stop me
