I can't live with my mistakes
Get out of bed or face this day
But I need to
Needle in my eye
I just need you to go sit down
But I told you I'd bury it deep in the ground

A joke a stroke of genius
Probably somewhere in between
No joke the broken records laughing while
She gags and screams
A love from up above my neck
But still below my spleen
I am what I am
Who am I?
I don't know what that means.

But I wanna meet Dave Grohl
I wanna meet Dave Grohl
I wanna meet Dave Grohl
I wanna meet Dave Grohl

I'm not a kid?
That's my mistake
Get out of bed
Nah, f*ck this day
But I need to
Needle in my eye
I just need you to be around
But I told you I'd bury it deep in the ground

A joke a stroke of genius
Probably somewhere in between
No joke the broken records laughing while
She gags and screams
A love from up above my neck
But still below my spleen
I am what I am
Who am I?
I don't know what that means.

But I wanna meet Dave Grohl
I wanna meet Dave Grohl
I wanna be Dave Grohl
I wanna be Dave Grohl

So never gonna stop me
Never gonna stop me
[repeat]
