Say what you want to say  
What you want to say  
I didn't care anyway

Sing, to the bottom of the sea  
To the bottom of the sea  
Darling, just you and me

I'm gonna lay with my head in the sand (x2)

Say what you want to say  
What you want to say  
I didn't care anyway

Sing, to the bottom of the sea  
The bottom of the sea  
Darling, just you and me

I'm gonna lay with my head in the sand (x2)

In the sand (x3)

Down when you want get down  
When you want get down  
'Cause it's up to you

Sing, to the bottom of the sea  
The bottom of the sea  
Darling, just you and me

I'm gonna lay with my head in the sand (x2)

In the sand (x16)
