I don't wanna, get left behind So I tell you what I'm gonna do to get by I'm gonna pick you up in my arms, give you all of my love Soon we'll never find mine

First we gotta get high

And sail to the sun, chances are none Oh, but we'll all die, that's just the way we live Uhu, uuuhuuu, uhu Uhu, uuuhuuu, uhu

I don't wanna, get left behind So I tell you what I'm gonna do to get by I'm gonna pick you up in my arms, give you all of my love Soon we'll never find mine First we gotta get high

And sail to the sun, chances are none Oh, but we'll all die, that's just the way we live In a grave, in a grave, in a grave In a grave, in a grave, in a grave

In a grave, in a grave, in a grave In a grave, in a grave, in a grave Uhu, uuuhuuu, uhu Uhu, uuuhuuu, uhu
