[Verse 1] (Danja Mowf)

Yo yo yo

Danja Mowf the flow is remarkable (what)

In the game kickin like a soccer pro (come on)

Yo you best to go inside and hide and lock the do'

'Fore I hit you with some shit you need a doctor fo'

When I bust like ?oowops

Cock and spit two shots

Lonnie on the point then I'ma play the two spot

If the girl pretty squeeze her titties like a tube top

Still got soul like "shoop-e-doop-do-wop"

Too hot, like Kool and the Gang

SupaFriendz rulin' a-gain

Think you foolin' me mayn? Hell naw

Cuz I'm seeing through the bull in the game

And I'm already blazing, you just fuelin' the flame

Can't stop 'till I do a few thangs

Like cruize in my Range

Like get some Nike shoes in my name

Danja Mowf caught you snoozin' a-gain

Yeah I know we used the same track befo'

We gon' use it a-gain (what?)

[Chorus]

What what what what what -- SUPA!

[Verse 2](Mad Skillz)

Ayo ayo

Ayo the beat don't matter I crank on cats

You seein' me shit you wouldn't put your bank on that  
I spit for pimps that still pimp outta 'Lacs  
I spit for chick that don't buy tapes and don't like rap  
Money all year dog seasonal stats  
Your honey at the payphone crying shit I'm the reason  
for that  
A lot of flows you aggy cuz you waitin for me  
Skillz and a lot of dough is something ya'll gon' hate to  
see  
Exchange your stock  
Went up, ya bank dropped  
Slay you on the mic and beat your wife with a tank top  
A lot of rap cats is braggadocious  
You ain't spittin hot shit you got halatocis  
Obsolete you in a Coupe sharin' a seat  
We been known to rock beats 'till snares fall asleep  
I been hot we ain't got to worry about heat  
Cuz if we don't eat then ya'll niggas don't eat

[Chorus]

LB Double S!

[Verse 3](Lonnie B.)

Uh uh  
Uh yeah  
Check it out yo  
I been around the world, been in many chicks  
Been in many clubs, been in many clicks  
Got bent over many liquors favorite one Henny  
Spending money like fuck it I ain't saved but one penny  
Rocked many shows, been in videos  
Been in bed with three broads  
Should have been on Jenny Jones  
Chickenheads think I'm paid  
Guess that's why they give me dome  
My dick off the hook they should call me Bizzy Bone  
Me, Skillz, and Mowf 'bout to put the city on  
I was like Pac  
Yall was askin shorty "Is you really gone?"  
Nah I stay in the zone you can't break me down  
Cuz I do it all like fed time hate me now  
The L-O two N-I-E-B flow  
One verse is worth a mil so they feed me dough  
Raps a b-ball game and I'm at the free throw  
Another point the SupaFriendz  
Cock sucker we know

[Chorus]
