I could be famous, but fame is nothing but hype, and
you are not. Having you in my life is the real reason
why I feel like a superstar.
Lalalalala, La la la, La la la la

Diamonds, pearls, fancy cars,
Looks so fly, to be in this life
Pretty video girls, big cigars, wine, caviar
Looks like an endless high
But girl, when Iâ€™m with you
Iâ€™m just another dude
Whoâ€™s in love with you
Iâ€™m not a superstar
So I wrote this song for you
So I can sing to you
How this feelingâ€™s true
This life is hype and you are real

La la la la la la la la la la la
Miss Real, Mr Regular
How you make me feel, Like a superstar
Miss Real, Mr Regular
It is you who make me feel like a superstar

I donâ€™t care for big number one hits
It donâ€™t last, just a few weeks of bliss
Girl, and when the night comes
I donâ€™t run to disco lights and screaming fans
Itâ€™s your warm embrace that I crave
I wrote this song for you
So I can sing to you
How this feelingâ€™s true
And if you want me to
I will come with you
Give it all up for you
Coz you are real and this is flip

La la la la la la la la la la la
Miss Real, Mr Regular
How you make me feel, Like a superstar
Miss Real, Mr Regular
I love the way you make me feel like a superstar

Have you ever seen a full moon
Shining brightly like a midsummer noon, yeah
Stars like diamonds felt the sky
Like Zulu goddesses are passing by
O Iâ€™ve never seen so much majesty dancing
gracefully, peacefully
Tell me Iâ€™m not dreaming, o no
Tell me that you see what I see, and you feel what I
feel, When I see what I see
As I look in your eyes tonight

La la la la la la la la la la la
Miss Real, Mr Regular
How you make me feel, Like a superstar
Miss Real, Mr Regular
It is you who make me feel like a superstar
La la la la la la la la la la la
Miss Real, Mr Regular
How you make me feel, Like a superstar
Miss Real, Mr Regular
I love the way you make me feel like a superstar
