Wax- Ready or not

The time has come for you to fly on your own
You don't have to be afraid
We'll always be here to catch you when you fall
Yes you're all grown up today

So ready or not
Time to break out
Out of your shell into the blue
Spread your wings across the sky
Ready or not
Time to find out
What does the future hold for you
Fly away fly away fly away

The time has come to open your eyes
There's a brand new world to see
You've got the power to face it on your own
And fulfil your destiny

CHORUS

You gonna spread your wings
Spread your wings
Fly away and cast your fate to the wind

Remember don't look back
Don't you ever look back
Let the moment carry you

We'll always be here to catch you when you fall
Yes you're all grown up today

CHORUS

Fly away fly away fly away

Ready To Go Home (1995)
(Gold/Gouldman)

On the street below these walls
Where I used to walk
Now I can barely crawl
All this darkness rising tall
Lord shine a light for me
I'm waiting to be called

I'm ready to go home
I'm ready to receive
Forgiveness for my sins
I'm ready to begin

Take this river to the sea
Where the Delta flows
The tide is washing over me
Guide this soul to Heaven's door
Show me where tomorrow lies
I'm waiting to be born
I'm ready to lay down
I'm ready now to sleep
A promise I must keep
I'm ready to go home

So tired I lay down
With these memories
Breathe shallow deep inside of me
If time has run its course with me
Then

I'm ready to go home
I'm ready to receive
Forgiveness for my sins
I'm ready to begin

When the evening shadows fall
When the time has come
I'll let defences fall
To surrender's to survive
I will give up everything
To those I leave behind

I'm ready to go home
I'm ready to receive
Forgiveness for my sins
I'm ready to begin
I'm ready to lay down
I'm ready now to sleep
A promise I must keep
I'm ready to go home
Again
