She was such a pretty girl and she was mine for a  
couple of years  
And on the day that she walked away I guess i, shed a  
couple of tears  
But from what I understand, she's now having the time  
of her life  
I guess its true what Too Short said, that you can't turn  
a hoe into a house wife.

(Hook x2)

'Coz she's so fine she used to be mine  
Now she fucks two dudes at a time  
She was so good, we was in love  
But I guess one dick wasn't enough

At first I couldn't believe it  
She was, so sweet and so kind  
How could she be getting ass fucked and sucking dick  
at the same time  
But I went online one day and I saw that shit first hand,  
She was having a one night stand with a,  
Nine piece salsa band.  
And the piano player is fucking her asshole,  
And in her pussy hole is the bass  
She's got the backup singer's dick in each hand  
And the trumpet player's fucking her face  
And her toes are doing some tickling, on the rest of the  
hoards sections balls  
The percussion player's jerking off on the side  
While the lead singer's telling the studio n' audience to  
applause

(Hook x2)

'Coz she's so fine she used to be mine  
Now she fucks two dudes at a time  
She was so good, we was in love  
But I guess one dick wasn't enough

Now the band started getting excited, they were all  
about to bust nuts  
It was nine Puearto Rican musicians, and just one little  
asian slut

Now every square inch of her body, is totally soaked  
with cum,  
And if you ask the bitch what two plus two was, she  
wouldn't even know 'coz she's too fucking dumb

(Hook x2)

She's so fine she used to be mine  
Now she fucks nine dudes at a time  
She was so good, we was in love  
But I guess eight dicks wasn't enough

Eight Dicks wasn't enough!
