Yeah

Hand Made Records presents to you...
In Association with a Chong Nee Classic
It's your boy, P-P-P-Pieter T

It's the way you kiss me, yeah
(I just can't get enough)
It's the way you hold me, yeah
(I just can't get enough)
It's the way you love me, baby, love me, baby
(I just can't get enough)
Ooh, ooh, ah

I love the way you look at me
When I get home late from work
You don't how that makes me feel
That's how I know how much you're worth
And I love the way your hair falls down your face
When you lean in close to me
Can't get enough of who you are
To me you're my only one

I just can't get enough
I can't live without your touch
I know that you're the one
'Cause you set my heart on fire
People say what they say
But they don't know you or me
Let them do what they do
'Cause I can't stop loving you, no

[Chorus]

I just can't stop, I can't stop
Can't stop loving you
Though we argue, I know that
You still love me too
'Cause I just can't stop, I can't stop
Won't stop loving you
It's the things you do to me
That make me love you

I just can't stop
I just can't stop

Said I love the way you hold me close
When we're making love
Nobody compares to you
I cherish what we got
And I love the way you close your eyes
When you kiss me there
Something magic between us
I feel it in the air

I just can't get enough
I can't live without your touch
I know that you're the one
'Cause you set my heart on fire
People say what they say
But they don't know you or me
Let them do what they do
'Cause I can't stop loving you, girl

[Chorus]
I just can't stop, I can't stop
Can't stop loving you
Though we argue, I know that
You still love me too
'Cause I just can't stop, I can't stop
Won't stop loving you
It's the things you do to me that

Baby, I know there's no one for me but you, yeah
My heart it tell me so
The way you kiss me
The way you touch me
When you tell me there's no-one but me
Baby, I just can't stop

[Chorus]
I just can't stop, I can't stop
Can't stop loving you, you, you, you
Though we argue, I know that
I know you still love me too
'Cause I just can't stop, I can't stop
Ooh, ooh, ooh, ooh
Said, it's the things you do to me, baby

[Chorus]
I just can't stop, I can't stop
Can't stop loving you
Though we argue, I know that
I know, I know

'Cause I just can't stop, I can't stop
I can't stop loving you
It's the things you do to me
That make me love you
