Oh no, I can't keep away from you
I've tried, but I don't know what to do
Hold me, while I think of something new
Should it always be this easy?
I said to hold me not to squeeze me

I won't, say you should apologize
Can you, try to look me in the eye?
Is it wrong that I romanticise?
Should it always be this easy?
I said to hold me not to squeeze me

Why don't you say it like you mean it?
Why don't you say it like you mean it?

Have you been thinking about yourself to long?
Have you been trying not to get along?

I shouldn't speak in case I get it wrong, and I always do

Oh no, I can't keep away from you
I've tried, but I don't know what to do
Hold me, while I think of something new
Should it always be this easy?
I said to hold me not to squeeze me

I won't, say you should apologize
Can you, try to look me in the eye?
Is it wrong that I romanticise?
Should it always be this easy?
I said to hold me not to squeeze me

Why don't you say it like you mean it?
Why don't you say it like you mean it?

Have you been thinking about yourself to long?
Have you been trying not to get along?

I shouldn't speak in case I get it wrong, and I always do

Oh no, I can't keep away from you

I've tried, but I don't know what to do
Hold me, while I think of something new
Should it always be this easy?
I said to hold me not to squeeze meeeeeeah!
