Stop or go,
I'm so confused I don't know what to do,
Cos everybody looks at me and you,
I think theres something we're supposed to do,
But I'm not sure.

And I will go,
If you don't let me in,
Is that where we begin?
Is that where we begin?

Stop or go, again,
I think I've been here once before,
Theres people hanging round outside the door,
Doing things we're trying to ignore,
But I don't care.

Cos I will go,
If you don't let me in,
Is that where we begin?
Is that where we begin?

And I'm not sure,
Cos I found out you're going out with him,
Is that where we begin?
Is that where we begin?

I never thought it could be so funny,
When you're still hanging round,
Spending all our money,
I never thought it could be so funny,
And you're still hanging round,
But we've got no money.

I never thought it could be so funny,
When you're still hanging round,
Spending all our money,
I never thought it could be so funny,
When you're still hanging round,
And around and around,

I will go,
If you don't let me in,
Is that where we begin?
Is that where we begin?

I found out,
You're going out with him,
Is that where we begin?
Is that where we begin?

I will go,
If you don't let me in,
Is that where we begin?
Is that where we begin?

Stop!
