Don't Make Me Go  
Don't Make Me Go

Don't Make Me Go  
Don't Make Me Go

Cause i'm not here to reflect you  
I wish your friends would leave me alone  
And i could never connect to  
the people i don't know from back home

This is an emergency  
This is an emergency  
This is an emergency  
This is an emergency

Please don't do it,  
Lets not do this now  
Somethings happening,  
Can't we stay somehow?

Cause i'm not here to reflect you  
I wish your friends would leave me alone  
And i could never connect to  
the people i don't know from back home

This is an emergency  
This is an emergency  
This is an emergency  
This is an emergency

Cause i'm not here to reflect you  
I wish your friends would leave me alone  
And i could never connect to  
the people i don't know from back home

This is an emergency  
This is an emergency  
This is an emergency  
This is an emergency
