"Wait For Me"

She'll say something that she don't want to,
If you'll make it alright?
And I'll take something that I don't want to,
If I stay here tonight.

I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave
(Wait for)

I feel filthy but I still like you,
And will I get home tonight?
I feel guilty but I can hide it,
Until I'm out of sight.

I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave
(Wait for)

Now I see your conscience she's wrapped round your
ankles,
And you didn't notice me stood by the door,
Well I see your conscience she's wrapped round your
ankles,
And you didn't notice me stood by the door.

I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)
I don't wanna be the last to leave,
(Wait for me)

I don't wanna be the last to leave
(Wait for me)
