Well I'm alright,
But I'm uptight from saying,
If you should come here tonight,
Well you better not look my way,
You better not look my way.

Well I don't like the things that you're saying,
So if I see you tonight,
Well you better not get in my way,
You better not get in my way.

But then I always here us saying...

Come around honey cos I need you tonight,
Now I couldn't take anymore,
Come around honey but I don't need reminding,
Of who's been here before.

Cos I'm trying..Trying..
I'm so tired of trying,
I'm trying..Trying..
I'm so tired of trying.

Well I'm alright,
But I'm uptight from saying,
If you should come here tonight,
Well you better not look my way,
You better not look my way.

Well I don't like the things that you're saying,
So if I see you tonight,
Well you better not get in my way,
You better not get in my way.

But then I always here us saying...

Come around honey cos I need you tonight,
Now I couldn't take anymore,
Come around honey but I don't need reminding,
Of who's been here before.

Cos I'm trying..Trying..
I'm so tired of trying,
I'm trying..Trying..
I'm so tired of trying.

Come around honey cos I need you tonight,
Now I couldn't take anymore,
Come around honey but I don't need reminding,
Of who's been here before,
Come around honey cos I need you tonight,
Now I couldn't take anymore.

Cos I'm trying..Trying..
I'm so tired of trying,
I'm trying..Trying..
I'm so tired of trying.

Cos I'm trying..Trying..
I'm so tired of trying,
I'm trying..Trying..
I'm so tired of trying
