My mother warned me of girls like you
And she says you know the devil is that true
with that tattoo of an angel
I hope to god that you can fly
It's just another way
to be a whore up in the sky

There's nothing you can do
because that's 3 chords and the truth

The pain the love it's all the same
(The truth)
I'm the only one to blame
(The truth)

They baptized you twice on the same Sunday
like a dog with fleas they dipped your sins away
with that tattoo of a halo
above the crack of your sweet ass
It's just a mere distraction
that you're a snake in Eden's grass

What's a bitch like you to do
because that's 3 chords and the truth

The pain the love it's all the same
(The truth)
I'm the only one to blame
(The truth)

1 for the sorrow that you left in this old house
2 for the pain of leaving me to live without
3 black eyes from the loser that you left me
4 there ain't no time for you

The pain the love it's all the same
(The truth)
I'm the only one to blame
(The truth)

It's all the same
