Round and round she goes
Will she puke, well no one knows
She's on the bathroom floor
She could have wanted more
What kind of person will she be
Well only her mother sees
I'm sorry about your dad
Because you took the same road
that's too bad

So I hope the tile cools your face
Hope no one sees this amazing disgrace
But I won't be the one that picks you up
because he looks like me
It's your new boyfriend Mr. Anxiety

The altar is still the same
Only piss stains have changed
Will he know what to do
When the grip gets tight on you
You're made of porcelain not steel
You're too breakable and real
Just a hollow empty shell
So full of shit and we can tell

So I hope the water cools your face
Hope no one sees this amazing disgrace
But I won't be the one that picks you up
because he looks like me
It's your new boyfriend Mr. Anxiety

Here she goes again
The room starts to spin

So reflect on what you've done
and will there be another one?

So I hope the tile cools your face
Hope no one sees this amazing disgrace
But I won't be the one that picks you up
because he looks like me

It's your new boyfriend Mr. A

Hey I hope the water cools your face
Hope no one see this amazing disgrace
But I won't be the one that picks you up
but her looks like me
It's your new boyfriend Mr. Anxiety
