When she doesn't pick up the phone  
and you know she's still at home  
and your favourite bar is closed  
and you left here all alone  
when the night has followed you  
and you're sliding down his throats  
and you're roughing his stomach  
and you put on your aincode

when you've got a long way to go  
you don't know ..... is home  
and the cars just pass you by  
and there's noone down this road  
when the suns bitrayted you  
see the ... what you do

just walk on, walk on, walk on  
this ain't right  
oh ow oohohohohoh  
walk on  
this ain't right

ohow ooh wowooow  
when you've find it  
ohow ooh wowooow  
when you've got no  
ohow ooh wowooow  
when you've find it  
ohow ooh wowooow  
when you've got no

when there's no difference anymore  
you don't know what to looking for  
.... pain  
and ain't carry all the blame  
when the words don't heal the wounds  
and you don't ... juice  
then play a song  
yes play a song for her  
oh oh ooh oohohoh  
yes play a song for her

ohow ooh wowooow  
when you've find it  
ohow ooh wowooow  
when you've got no  
ohow ooh wowooow  
when you've find it  
ohow ooh wowooow  
when you've got no

oh ow ooh wowooow x4  
when you've got no
