[Hook 2X: Mystikal] + (Pharrell)

You keep bumping me against the wall

Yeah I know I let you slide before

But until you seen me... trust me

(You ain't seen bouncin' back)

[Verse 1]

I really be throwin' my words

Standing 'em up, and jammin' on the one

That ain't nobody but Neptunes bammin' on the drum

Swift flip kicks landing from the tongue

More dramatic than batman and robin, ba na na na na

na

The one that be handling they business, be sharper  
than a thumb tack

The one that be dropping these albums, showing 'em  
how to come back

And you gon' respect me and appreciate where I run at

You ain't gone piss me off, cause you sorry that you  
done that

I gets meaner, badder, stronger and ferocious

You don't even much wanna see the rest

I'm coming back mo' fearless, mo' determined to fold  
the set

I ain't even started yet

So if you ain't ready you better get ready

I know I do it better when I'm being opposed

Ah stick ya chest out, keep your chin up

'Cause sometimes you gotta get knocked down to get  
up

[Hook]

[Verse 2]

No matter what happened that's only once it's shame  
on you

You come up and here and do it again then it's shame  
on me

Sometimes we be getting in trouble we didn't want  
learn or

Sometimes we be getting in trouble we ain't gon' see

I accept my wages like the way that I fail  
I grow, I take 'em in stride and but 'em under my belt  
I learned from you just like you learned from me  
I plead, I pray for peace and perfect harmony  
Somebody said fool you better keep on rapping  
Stop that trippin', causin it ain't gone happen'  
I told them look you better mind yo business  
Change yo' way of thinking and keep on living  
Done started some trouble and you ain't been out since  
Cause you stuck inside scared watching CNN  
Just take the precaution so yo life will be better  
Tell my friends to call me I ain't accepting no letters

[Hook]

[Verse 3]

You heard about me, yeah you had to  
Hmm-huh, I know you changed ya mind you ain't the  
only one with bad news  
I know that they made you feel strange huh  
You was right in the middle complainin' and forgot  
what you was cryin' bout  
It could be you time and it might be  
You can't do nothing about it, its God will thats just how  
life be  
One day it hit 'cha then its gone  
And I'm serious and you ain't never even gone feel it  
until it hit home  
That's when the pain run sharper and deeper  
You ain't eat that's when the days feel slow and long  
I know you miss 'em so it's time to uplift 'em  
Try to pick the pieces up and find a way to drive on  
I tell you the truth so don't lie to me  
Get back Satan don't bother me  
And that's the way its gotta be  
And real as ever so I hope you proud of me

[Hook]

[repeat to fade]

You keep bumping me against the wall (\*3X\*)  
(You ain't seen bouncin' back)
