Spend all your time waiting for that second chance. For a break that will make it okay there's always some reason to feel not good enough and it's hard at the end of the day .I need some distraction .Oh beautiful release memories seek from my veins and may be empty oh weightless and maybe I will find some peace tonight in the arms of the angel fly away from here from this star cold hotel room and the endlessness that you feel you are pulled from the racket of your silent reverie your in the arms of the angel may you find some comfort here . So tired of the straight line and every where you turn and there's vultures and thieves at your back the storm keeps on twisting keep on building the lies that you make up for all that you lack it don't make no difference you escape them one last time it is easier to believe then this sweet madness oh there's glory or sadness that brings me to my knees in the arms of the angel fly away from here from this star cold hotel room and the endlessness that you feel you are pulled from the racket of your silent reverie your in the arms of the angel may you find some comfort here.You in the arms of the angel may you find some comfort here.
