I gotta get my dick sucked
So I won't have bad luck
Yo my nigga pass me the tops
And open up the brown bag
That's sittin on the crops, props
The top of the bottle of the hennesey
Every time I blaze a job in public
I make a lot of friends G
I feel the need for the weed
My nigga fat cackey
Hollerin I smoke a job
I know that's all Chris wants
I gotta do what I gotta do
I reach into my pocket
Reachin for my gat
Enough to be through
And plus this some action my nigg
Somkin on a mother fuckin jobs
Some motherfuckin big
It's gonna have me on a motherfuckin ground
Every body's happy not making a motherfuckin sound
But now I got the munches

Went up to the liquor store
Got me a 5th of the henneseey
Got some stouts just comin over
I hope those bitches I ready to G
Pass Paul the blunt
He take the hits and pass it back to me
Listening a new track we just droped from the A.M.P
Got back to the crib
Opened the freezer and cracked the ice tray
Fillin on some glasses
The hoes just called they on the way
Hey we great the hoes
I started porin the henneseey
The gift to see
And this shit wont be borin
Hoes will be horin
Niggaz will be scorin
Fuckin on the floors and
Deep sea explorin
But anyway the slugs feel it
And they started to sip it
Twanty minutes later
She on my dick I started to dip it
Dog that cuccey
Work that cuccey
Makin them bitches do they duties
Soon as I got trough
Kicked they ass out
Then I watched a movie
Now my ass is layed out on a rug
Torn up fuckin wit that liquor and dat bud
