Three, four, kickin' in the door  
Five, six, rob a nigga quick  
Seven, eight, get away str aight

[Lord Infamous]

Thoughts cut guns shot, wounds broke bones  
Plagues diseases warclones and ozones  
Playa depleting, go a heating, west nile  
Everynight on the news under the murder trails

[Juicy J]

He grew up as a rowdy motha fucka, he didn't give a shit  
Give my black ski mask and gun and a do' to kick  
Down watchin' frown put the tone underneath your chin  
You know Project Pat is there your nigga down to make some fizz

[DJ Paul]

From the uterus to the funerals  
I'ma keep my crown  
Bitch I ain't from England  
But my money still come in pounds

Lost a couple of members for the better  
Still we hold it down, meet up on the  
Bees on the ground from a .40 round put 'em down
