A long time forgotten the dreams that just fell by the way  
The good life he promised, ain't what she's living today  
But she never complains of the bad times  
And the bad things he's done Lord  
She just talks about the good times they've had  
And all the good times to come

She's a good hearted woman in love with a good timin'  
man  
She loves him in spite of his ways she don't understand  
Through teardrops and laughter  
They'll pass through this world hand in hand  
A good hearted woman lovin' a good timin' man

He likes the bright lights and night life and good timin'  
friends  
And when the party's all over, she'll welcome him back  
home again  
Lord knows she don't understand him but she does the  
best that she can  
This a good hearted woman lovin' a good timin' man

She's a good hearted woman in love with a good timin'  
man  
She loves me in spite of my wicked ways that she don't  
understand  
Through teardrops and laughter  
They'll pass through this world hand in hand  
A good hearted woman lovin' a good timin' man

She's a good hearted woman in love with a good timin'  
man  
She loves me in spite of my wicked [incomprehensible]  
ways  
But then she don't understand
