(Hoyle Nix)

Put on your new shoes  
Put on your gown  
Take off them sack clothes  
The big ball's in town.

Big ball's in Cowtown  
We'll all go down  
Big ball's in Cowtown  
We'll dance around.

--- Instrumental ---

I'll stay in cowtown  
I'll stay around  
Bolt up your window  
The big ball's in town.

--- Instrumental ---

Workin' on the railroad  
Sleepin' on the ground  
Eatin' saltine crackers  
Ten cents a pound.

Big ball's in Cowtown  
We'll all go down  
Big ball's in Cowtown  
We'll dance around...
