I've got a couple more years on you baby that's all
I've had more chances to fly and more places to fall
That's not that I'm wiser it's just that I've spent
More time with my back to the wall
And I've picked up a couple more years on you baby
that's all
I've walked a couple more roads than you baby that's
all
And I'm tired of running while you're only learning to
crawl
And you're going somewhere but I've been to
somewhere
And found it was nowhere at all
And I've picked up a couple more years on you baby
that's all
[steel]
Saying goodbye girl don't ever come easy at all
But you've got to fly cause you're hearin' them young
eagles call
Someday when you're older you'll smile at a man
strong and tall
And say I've got a couple more years on you baby
that's all
You'll say I've got a couple more years...
