Verse 1:

My dad talks a lot about cowboys  
Like John Wayne and people I don't even know  
I like the cartoons on Saturday morning  
'Cause I'm only four years old

Chorus:

But my dad just loves cowboy movies  
He even bought me a big cowboy hat  
And when I put it on with my boots and my Levi's  
I can tell that he really likes that

Bridge:

Yod-el-ay-ee-ay de-lay-ee-o de-lay-ee

Verse 2:

I love to watch Nickelodeon  
You might say I grew up on Sesame Street  
My favorites are Big Bird and Oscar the Grouch  
And I think the muppets are neat

Chorus:

But my dad just loves cowboy movies  
He's never heard of Ernie and Bert  
I'm just not a cowboy, I guess I'm a nowboy  
And I sure hope his feeling's aren't hurt

Bridge (x2).
